Walter W. Morrison
Potentate

Dear Nobles:

AGAIN I wish to express my thanks to you for the honor of being elected for the sixth time Potentate of the best Temple of North America, and I promise my best efforts to be worthy of the honor. I asked your help in obtaining 800 new members in 1919. Your response was most generous, as we had 975.

All the prerequisite bodies in the State are having record classes and this year should be the best in our history, and it should be an easy matter for us to duplicate last year's success. By doing this we will have a membership of over 10,000 — a fine membership — and should place us in a permanent prosperous position. Our gain in the past five years has been healthy and regular.

Membership

In 1915	7,076
In 1920	<u>9,093</u>
A net gain of	2,017

Assets

In 1915	\$104,106.20
In 1920	<u>217,682.30</u>
A net gain of	\$113,576.10

Our Permanent Fund

In 1915	\$77,979.05
In 1920	<u>166,430.31</u>
A net gain of	\$88,451.26

The result of your efforts and I thank you for your generous support and ask for its continuance.

Yours for the glory of Aleppo,

Walter W. Morrison

The Initiation Fee to Aleppo Temple is \$50

TAKE DUE NOTICE

Over 50% of the Temples are now making their fees \$75 or \$100.

At the next meeting of the Imperial Council, June 22d, it is possible that the minimum fee will be made \$75. Let your friend who is eligible know this fact and govern himself accordingly.

Palestine of Providence voted at their meeting, March 30th, that their fee should be \$75 after that date.

**Remember, the Fee for May 4th is \$50
Men in Service, \$25**

THESE ARE PRE-WAR TERMS

Noble H. B. Perkins proposes the following amendment to Article IV, Section 6, of our By-laws: Substitute the words fifteen years annual dues for the words fifty dollars. It will then read:

Any member who is in good standing and whose dues are paid in full may become a life member thereof by paying to the Temple the sum equaling fifteen years annual dues.

This amendment to become operative December 31, 1920.

ALEPPO EMPLOYMENT BUREAU:

NOBLES: I'm still on the job, but honestly I'm stalling most of the time. I want to be busy every minute and it's up to you to help me.

Ring me up or write me if you want a man. I'll find one for you. Remember this is a labor of love on my part, and I surely deserve the co-operation of every member of Aleppo.

Nobles who want a job or position, look me up.

ARE you a subscriber to the Shrine Magazine—THE CRESCENT? It is owned and published by the Shriners of North America and if you are interested in Shrinedom you will find a lot of good things, and information of meetings, visitations,—all the news up to date.

THE FOLLOWING LETTER EXPLAINS OUR POSITION

Boston, Mass., April 8, 1920.

Mr. WALTER M. MORRISON,

My Potentate and dear Friend: A year, to the day, has passed since I had the pleasure of outlining to you the ideals, purposes, and ambitions of the *Crescent* for the future. As a purveyor of genuine Shrine spirit, as a creator of enthusiasm and loyalty, the *Crescent* is in an unassailable position. The clean and wholesome vein of humor makes it most readable and of interest to all.

Knowing, as I do, how sincerely you have the complete success of our Shrine magazine at heart, I feel assured that you will be pleased at this time to learn of the consistent growth of the *Crescent* during the past year.

The *Crescent* is owned today by ninety-three Temples throughout the country, a gain of sixty stockholding Temples in twelve months.

On December 1st last a sizable dividend was declared and paid to all stockholding Temples of that date.

Nearly thirty-two thousand Nobles have become subscribers in this year.

Aleppo Temple, largely through your personal efforts, has done nobly, her subscription list at this date numbering nearly one thousand.

The Aleppo Temple news and notes of her Nobility as contained in every issue are gems amongst a multitude of other jewels.

Thanking you most sincerely, Walter, and thoroughly appreciating your efforts in making this success possible, I remain,

Yours in the true Faith,

WILLARD S. OLEY,
Vice President.

BE A SHRINER

SAND SONS:

You knew that J. Harry Lewis, of St. Paul, publishes the *Crescent*, dintcha? This magazine is not only the Shrinepuck of the American Desert, but also a Digest. It is as necessary near your easy-chair as a score card at the races. If you have noble blood trickling through your veins you cannot afford to be without it. If it wasn't good we wouldn't monkey with it.

Three hundred and sixty-five days of it for the reasonable sum of Two Beans. Do it now! Two dollar bills are unlucky to have hangin' around anyhow. Mail your two to me and I'll do the rest.

WALTER W. MORRISON.

YOUR FINANCIAL OBLIGATIONS

THE LAW OF THE IMPERIAL COUNCIL STATES:

"In each Temple of the Order the annual dues shall be not less than five dollars (\$5.00), to be paid in advance alike by all members of the Temple except life members."

Bills designating the amount owed by each Noble have been mailed and the new 1920 white, green, and gold cards are ready for delivery. Incidentally there are some red and white 1919 cards as well as a few of the assorted colors of former years' vintages still in the Temple strong box awaiting reclamation.

The day of this ceremonial will be a busy one indeed for the Recorder — too busy probably for him to attend properly to all the matters which will be asked and expected from him. Attention to the following requests will help a whole lot to keep things moving smoothly:

1st — Get your 1920 card before the date of the meeting, then you will be sure to see the session.

2d — Send check, money order, or the equivalent thereof for your 1920 card rather than try to get it at a ceremonial.

3d — Send your statement with your remittance.

4th — Always give your number when corresponding with the Recorder. We are getting so big now that many names are duplicated.

5th — Report the name and date of death of each Noble in your locality who has entered the Unseen Temple.

The notice of Nile Temple, of Seattle, contains an article well worth reading, it is herewith reprinted:

KEEP YOUR SHRINE INVESTMENT ALIVE

Naturally, being a business man, you figure you have an investment in the Shrine. Not for business, but social reasons. Of course we all realize we get out of anything only on a par with what we put into it. It doesn't matter whether it's in business or marriage; in politics or fraternal organizations. Each is a success or failure as we value it, or not; as we appreciate it and give the best that is in us to it, or as we are indifferent and neglect it.

The Shrine is made up of high-class gentlemen. There are 400,000 of them. Your Shrine button and card gives you *entré* into any Shrine in the country, and wins for you a recognition among men that no other similar organization gives you. If you think you didn't get the worth of your money when initiated, because of some physical defect or the size of the class, that prevented your getting all that was really coming to you, the privilege of belonging to the Order should make up the difference.

Your dues are \$5.00 per year. A very small investment, it seems to me, for the privileges it brings. The moment you are delinquent with your dues your entire investment is null and void. And I am frank to say to you that if you belong to any Masonic Order you have made no better investment originally, nor can you get such generous returns from a small amount of money as you can by keeping your dues paid up and your *original investment alive*. And from a standpoint of sociability, good fellowship, and true fraternity, this is particularly true of the Shrine. Through the loyal, enthusiastic efforts of the officers and members of our Temple it stands today in the front rank among the Temples of Shrinedom. This makes your investment all the more valuable, because wherever the wearer of our fez or button goes, he is sure of a generous, cordial welcome.

GOOD NEWS — GOOD CHEER

Our veterinaries are trying to cross the mule and the camel, trying to get some *kick in the milk*.

A business house sent a statement to a debtor and received the following reply:

For the following reasons I am unable to send you the check asked for:

I have been held up, held down, sandbagged, walked on, sat on, flattened out, and squeezed.

First, by the U. S. Government for Federal War Tax, the Excess Profits Tax, the Liberty Loan Bonds, and by every society and organization that the inventive mind of man can invent to extract what I may or may not have in my possession; from the Society of St. John the Baptist, the G. A. R., the Woman's Relief, the Navy League, the Red Cross, the Black Cross, the Purple Cross, the Double Cross, the Children's Home, the Dorcas Society, the Y. M. C. A., the Y. W. C. A., the Boy Scouts, the Jewish Relief, the Belgian Relief, and every hospital in town.

The Government has so governed my business that I don't know who owns it. I am inspected, suspected, examined, re-examined, informed, required, and commanded so I don't know who I am, where I am, or why I am here. All that I know is that I am supposed to be an inexhaustible supply of money for every known need, desire, or hope of the human race, and because I will not sell all I have and go out and beg, borrow, or steal money to give away, I am cursed, discussed, boycotted, talked about, talked to, lied to, lied about, held up, hung up, robbed, and nearly ruined, and the only reason that I cling to life is to see what in hell is coming next.

INVITATION TO CANDIDATES

You doubtless think you have seen a real initiation, but you haven't. This will be it. This will be one vast, world-old vista, one many-hued expanse of rosy, ruby-colored, red letter days rolled into one! This will be a symposium of physical iambics, anapests, and trochees, an epic of agony, an idyll of mortal suffering, a sonnet of human grief compressed by a master hand into one intense, exquisite poem of passion and pain.

A woman can like a hundred men and love but one; a man can love a hundred women and like none.

Be sure you are right — then mind your own business.

If you must knock, give yourself a few raps while you're at it.

*Wm. Brown, Imperial Treasurer, says
this about our Ben, Imperial Recorder:*

MY OLD PAL AND ME

For a good many years we have worked together,
My good old Pal and Me;
With not a feeling or difference ever
Between us to mar harmony.
Just twenty-six years is the time
Since the boys first knew Bill and Ben,
And year after year they said, "You've done fine,"
And concluded to try us again.
Time has made changes that always must be,
But you'll find no change twixt my "Old Pard" and me;
So here's hopin', Old Pal, when we're called away home,
That it's agreeable to St. Peter to see us both come.
We may not have access to warrants or cash,
But leave it to us to do nothing rash
To bring discord or confusion, that St. Peter may see
That there's still love and affection twixt my Old Pal and Me.

A GOOD OPINION

April 9, 1920.

My dear Walter:

Having just returned from "a winter in Southern California," I want you to know how much that "little button" means to "a stranger in foreign lands." I stopped at San Francisco, Los Angeles, San Diego, Denver, and Kansas City, and at each of the aforesaid cities I met and was entertained by some of the best fellows that live, namely, "Nobles of the Mystic Shrine."

That "little button" with your "card" is worth more to a traveling man than a whole book full of money orders, because you might lose your money orders but you cannot lose your means of identification.

As you know, I belong to a few fraternities, societies, and clubs, but for the man away from home there is nothing equal to "that little button."

Fraternally yours,

A. E. WRIGHT.
